

Elephant Song by; Dully Brizzy And Young Stino

For me and you,

Let leave Kilimasera,

Don't make homestead,

Verse 1 Respect protected areas,

For rich and poor,

Protect Selous–Niassa wildlife corridor.

For us is the only protected area,

BL Don't let Selous disappear,

Protect Elephant, oooh Elephant, don't let them disappear,

Youth volunteer,

Protect Elephant, oooh Elephant.

Protect Elephant, oooh Elephant,

Chorus **Protect Elephant, is ours Tanzania,**

Protect Elephant, aaah Elephant,

Protect Elephant, is our pride.

Ooooooooooh!

Our Ruvuma region,

Verse 2 Our Namtumbo District,

Let's protect our Elephant not disappear,

Our Mchomoro village,

Our Selous-Niasa wildlife corridor,

Let's care our protected area,

Don't let it disappear,

BL Respect protected area borders,

Have discipline, discipline.

Protect our Elephant,

The only way to protect our farms,

Use chili fence,

For us is the only protected area,
Don't let Selous disappear,
Protect Elephant, oooh Elephant, don't let them disappear,
Youth volunteer,
Protect Elephant, oooh Elephant.

Protect Elephant, oooh Elephant,
Chorus **Protect Elephant, is ours Tanzania,**
Protect Elephant, aaah Elephant,
Protect Elephant, is our pride.

The End!
